### **Re: Bijan Rafiekian's Document Request**

Dear Mr. MacDougall:

You wrote us on February 7, 2019, requesting certain documents and information concerning Flynn Intel Group, Inc. ("FIG, Inc."). We indicated that we would respond by today. Enclosed please find the documents requested, insofar as they are in Covington's possession. All of the enclosed documents, with the exception of Covington's engagement letter, were received from Kristen Verderame, Esq., who handled the formation of FIG, Inc., its corporate law matters, and the preparation and filing of the corporate dissolution certificate for FIG, Inc.

Sincerely,

Robert K. Kelner
